Tous les matins, le maître entretient sa forme.  
Essaie d'être plus rapide que lui : il a mis 5 minutes !

Trouve le nombre manquant.

2 - 4 - 8 - 16 - 32 -

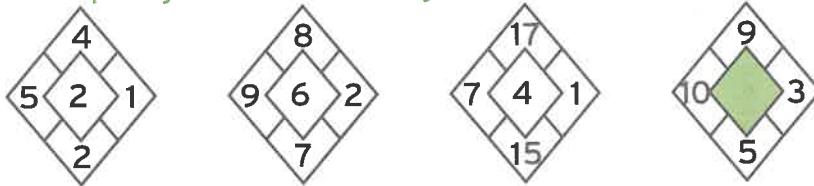

15 - 12 - 13 - 10 - 11 -

2 - 4 - 3 - 9 - 8 -

Observe les nombres qui figurent sur les diagonales.

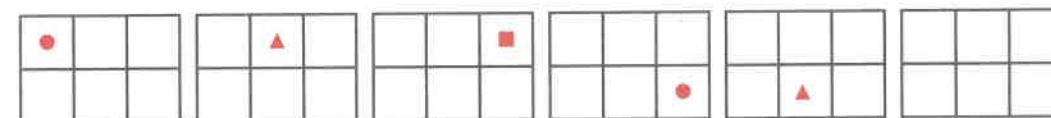

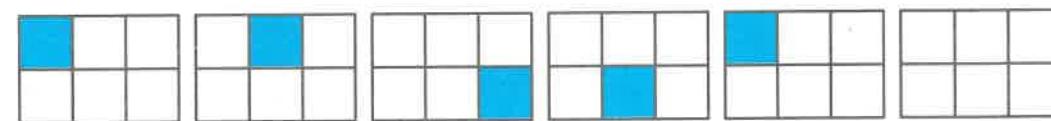

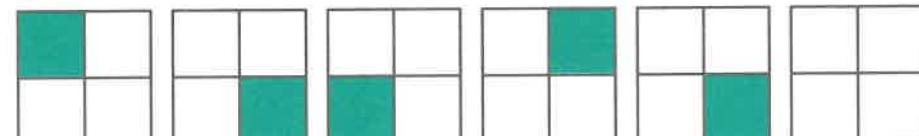

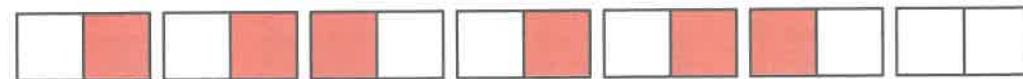

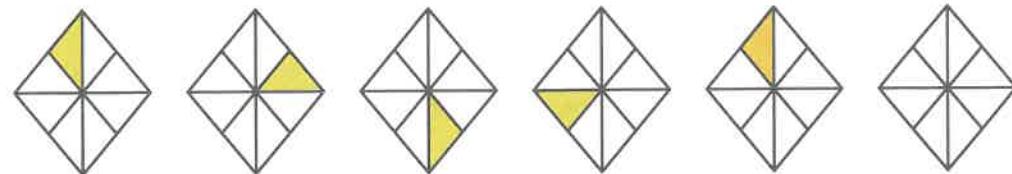

Tout est question de différence !
